

Judd-357

1) Heritage 1/25 FUN – PCGS65RB

2) Heritage 1/14, Heritage 5/23, Heritage 2/25, Heritage 8/25 ANA – NGC65BN

3) Heritage 4/14 – NGC63RB

This sale also included a second graded NGC63RED but that coin is not struck from the 1864 novodel die. We suspect that example is a regular bronze proof.

4) Heritage 4/16 – NGC62RB/PCGS63BN

Note: All known examples of Judd-358 / Pollock-429 were struck from 1864 dated dies whether proof or business strike. They are not patterns/trial pieces.

Judd-359 / Pollock-430

1) Stacks 9/89, Simpson-Heritage 8/21 - PCGS62

2) Private collection since the 1940s, StacksBowers 6/11 – NGC proof details environmental damage

Note: Judd-360 / Pollock-431 orioide is not confirmed to exist.

Judd-361 / Pollock-432

1) Stacks 9/89, Simpson-Heritage 11/20 – PCGS61 with lint mark or scratch by first feather.
